SEPTEMBER 2000

FLYERS AND TIRES 2000

Our biggest yearly event, *Flyers and Tires* (Aug. 12) went very well. Formerly "The Big Pig Roast", *Flyers and Tires* brought in a diverse crowd estimated at around 800, mostly local area residents. The weather was perfect. Everyone had a great time and it was a very successful fundraiser for the Chapter.

There was something for everyone, aviator or not. There were Young Eagle flights all day long. There were dozens of antique cars to look at. There was face painting and wall climbing for the little kids and there were "burn-out" contests for the big kids. There were interesting airplanes, antiques, "war-birds" and show planes on display.

The jet turbine R/C models stole the show! These \$10,000+ jet fighter scale models put on an impressive act, including low passes down the runway at speeds in excess of 250 mph! Then to top it all off we were thrilled to watch Gerry Molidor and Mark Peteler demo the Sukhoi and Zlin, respectively. A special thanks to Gerry and Mark!

And there was good food and drink all day – first burgers & brats, then in the evening, a Bar B Q pork and broasted chicken buffet.

We have many to thank for the success of our event. We are especially grateful to our generous benefactors Hope Jovicin and Michael and Joeleen Stanard. We also thank the dozens of merchants and individuals who contributed more than 70 items for use as raffle prizes.

We owe many our thanks: Kerry Neff, for organizing

the automotive events. Jack Hartery for handling the Young Eagles. The Nusbaums, Steve and Chance and especially Carla for all her planning and for doing the raffle (so ably assisted by Amanda Stuart). The guys who donated their time and airplanes to fly Young Eagles. Marilee Wise for handling beverage sales all day long. John Wise for all his organizing, emceeing, and filling in anywhere there was a gap. Everybody that was there pitched in. Again apologies to those we miss, but thanks to: The Bridens, Greg Donski, Ron Dopke, Rafael Gonzales, Jeff Hill Sr. and Jr., Tom Hoppe, John Kemper, Ed Komes, Mark Krohn, Phil Muska, Bill Ott, Chris Rogers, Jack Ross, Bill Stevens, Don Sword, John Theriault, George Zuidema – every member there helped out – Thank you all. Thanks also to all who brought exhibits or displays for all to enjoy

NEXT MEETING AND YOUNG EAGLES DAY

The next Chapter meeting and Young Eagles Rally will be Saturday, September 9th at the Chapter building at Galt. It's a short business meeting at 10 AM followed by Young Eagle Flights from 11 to 4. We need planes, pilots and help on the ground. Please come out!

WHY YOUNG EAGLES?

Some might think they saw "Young Eagles" hidden in the Quote-Acrostic in the Aug. 13th *Chicago Tribune Magazine*. The Quote, by E. Anderson, read, "*By introducing the young to great literature, drama, music and the excitement of great science we open the possibilities that lie within the human spirit and enable them to see visions and dream dreams.*"

Well, if a Young Eagle Flight isn't exposure to "Great science", what is? If you're not already on our Young Eagles Team, please join us, 2nd Saturdays (through November) 11 AM to 4 PM at Galt.

CONGRATULATIONS

Congratulations to Chapter member and director Jeff Hill, Jr. and wife Jenny on the arrival of Mallory Jean (their first) on Aug. 26. She was a whopping 8# 2oz. Mom and baby are fine. We hope you meet her soon.
